VISCOUNT DO CERKAL,
RICHARD DRAGON, Esq.A VERY large traffic exists between the
Hongs and China, for which the present
lines of steam communication afford very
adequate accommodation. The Company
has been organizing the supply of shipping
which has long been felt, especially by
the Chinese Residents of the Hongs.It proposed to run a regular line of
steamers between Hongkong, Saigon, and
Singapore, in connection at Singapore with
the steamer of the E. & S. N. Co., and
with the French Steamship of Com-
chin-China, for the conveyance of the mail to
and from Saigon. Extensions of this service are
shortly contemplated.Arrangements have also been made with
the various lines of Coast Steamers for all the
mails of China and Japan, for regular services
of steamers, so that a uniform and
vigorous competition may be avoided.The Gulf, with the good will of the
Portuguese Government, is now
in full sail, and powerful steam will shortly
be placed on the route.The Company has been registered with
Limited Liability, under the Companies
Act of 1856.Five hundred and thirty thousand Dollars of
the Capital of the Company were recently
subscribed, including subscriptions for Saigon
and Singapore, and two thousand remain
for allay. The Directors have been
authorized to call upon shareholders for
allay, and the Second Call of \$200 Share in
three months thereafter.The Articles of Association may be seen,
